

One-Pager Pro Basketball

from Short Season Games

More seasons, leagues, and games available at shortseasongames.com

What you'll need:	- A d6, a contrasting d6, and a 2d10 (or a d100) - A league sheet like this - A scoresheet - Pen/pencil
How to play:	Each quarter is broken into 7 parts. Rolling the first d6 determines which team dictates the pace and scoring of that particular part of the quarter. Two rolls of the d100 will give the scoring for the part, and the second d6 determines if the controlling team scored any 3-pointers or free throws in that time. Record the scoring in each box, then move on to the next part of the quarter.

Gameflow:	<ol style="list-style-type: none"> 1) Roll the first d6 to determine control. > 1-3: visiting team; 4-6: home team 2) Roll the 2d10/d100 to determine scoring for the controlling team. 3) Roll the contrasting d6 to determine extra points from threes and free throws. > 1-2: no extra; 3-4: +1; 5-6: +2 4) Roll the 2d10/d100 again to determine scoring for the opponent using the controlling team's "Opp Scoring" results. 5) Record the results and repeat until the game is completed.
